

## Data Science | 2015-2016 Assessment Plan

1. Which outcome will you assess this year (2015-2016)?

Program Learning Goal C will be assessed in DS 715 and DS 730 in Spring 2016.

2. Which technique will you use to assess this outcome?

Program Learning Goal C will be assessed using embedded class assessments. Assignment and the assessment rubric will be designed by MSDS Assurance of Learning (AOL) team (chaired by program manager and comprising of all academic directors, program manager, and UWEX assessment coordinator).

3. Which course or group of students will you assess on the outcome chosen above and when?

Program Learning Goal C will be assessed in DS 715 and DS 730 in Spring 2016.

4. Who will do the assessment and coordinate the data collection and reporting?

Overall assessment activities in the MSDS are the responsibility of the MSDS Assurance of Learning Committee.
